**ONCOR ELECTRIC DELIVERY COMPANY LLC AND AEP TEXAS INC.'S NOTICE
REGARDING SUPPLEMENTAL NOTICE AFFIDAVIT AND REQUEST FOR
APPROVAL**

Oncor Electric Delivery Company LLC ("Oncor") and AEP Texas Inc. ("AEP Texas") file the attached Supplemental Affidavit Attesting to the Provision of Notice ("Supplemental Notice Affidavit") with respect to the Sand Lake - Solstice 345 kV transmission line project. Pursuant to 16 Tex. Admin. Code ("TAC") § 22.52(3)(E), Oncor and AEP Texas hereby provide notice of, and if necessary seek approval for or a good cause exception regarding, the supplemental notices discussed therein.

Oncor and AEP Texas filed their original Affidavit Attesting to the Provision of Notice to Cities, Counties, Neighboring Utilities, OPUC, TPWD, Department of Defense Siting Clearinghouse, and Landowners Regarding the Sand Lake - Solstice Project ("Original Notice Affidavit") in this docket on November 20, 2018. To supplement that affidavit and update the Commission regarding re-sent notices to certain landowners, Oncor and AEP Texas also filed the Supplemental Notice Affidavit attached hereto.

The Original Notice Affidavit and the Supplemental Notice Affidavit together satisfy the requirements of 16 TAC § 22.52(a)(3). Pursuant to 16 TAC § 22.52(a)(3)(E), when Oncor became aware of landowners who did not receive the original notices mailed on the date the application was filed, it re-sent the notices by priority mail, with delivery confirmation, to an alternate address found for each landowner discussed in paragraphs 4(a)-4(d) of the Supplemental Notice Affidavit attached hereto. The delivery confirmations show that each of those affected landowner received

the re-sent notice more than 15 days prior to the December 27, 2018 intervention deadline. Because there were more than 15 days between the date each landowner received the re-sent notice and December 27, 2018, Oncor's notice informed those landowners of the December 27, 2018 intervention deadline rather than stating that the landowner had 15 days to intervene from receipt of the notice, as stated in 16 TAC § 22.52(a)(3)(E), which would have effectively shortened the intervention period for those landowners. Oncor and AEP Texas request the ALJs approve such supplemental notices sent to these landowners with the December 27, 2018 intervention deadline and, to the extent necessary, grant a good cause exception to 16 TAC § 22.52(a)(3)(E).¹

With respect to landowner Prakash Valambhia discussed in paragraph 4(e) of the Supplemental Notice Affidavit attached hereto, Oncor has sent a clarifying notice to this landowner, via priority mail with delivery confirmation, stating that the landowner has 15 days from receipt of the notice to intervene, in satisfaction of 16 TAC § 22.52(a)(3)(E). Oncor and AEP Texas will not object to this landowner's timely request to intervene.

For the reasons set forth above, in the Original Notice Affidavit, and in the attached Supplemental Notice Affidavit, Oncor and AEP Texas request that the ALJs find the supplemental notice provided to the affected landowners to be sufficient and grant any good cause exception deemed necessary thereto.

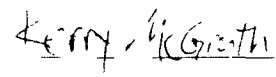

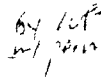

¹ See 16 TAC § 22.5(b) (authorizing the presiding officer to grant exceptions to the Commission's procedural rules for good cause).

Respectfully submitted.
